## Gridiron Opener is Tonight; Bearcats vs. Neb. Wesleyans

**Lincoln Players Making  
First Appearance In  
This Part of Country.**

**SECOND AT HOME**

**Referee John Wulf to  
Preside---BearcatLine-  
up Not Announced  
By Davis and Stalcup.**

Tonight's football game against Nebraska Wesleyan College rings up the curtain on the Bearcats' 1934 grid season. For the first time in history the two schools will battle for supremacy on the football field. Little is known around these parts of the representatives from Lincoln, although it is a fact that they finished second in the team-standing of their conference last season. Such a record must be recognized, and a hard, fast game seems to be in store for all those present at the College Field when Referee John Wulf blows the whistle for the opening kick-off.

Coaches Davis and Stalcup are at present undecided as to just who will be included on the starting eleven. After numerous scrimmages with but few minor injuries resulting, there are a number

of bright prospects that are likely to be given an opportunity of seeing service in the season's opener. Positions and the probable choices of the coaching staff include: Ends—Hicks, Henrietta, Okla.; Dickinson, Independence; or Zuchowski, St. Joseph. Tackles—Richards, Thomasville, Ga.; Cronkite, St. Joseph; Boatwright,

Ill.; Morrow, Plattsburg; or Rouse, Princeton. Center—Palumbo, Hubbard, Ohio; or Richards, Thomasville, Ga. Quarterback—Benson, Independence; or Stigall, Henrietta, Okla. Halfbacks—Good, Shenandoah, Iowa; Rulon, Shenandoah, Iowa; Francia, St. Joseph; Yates, Smithville; or Borgmier, Smithville. Fullback—

Yates and Farrar will probably be called upon to do the punting against Coach Waldorf's proteges, with Palumbo kicking-off. Benson is the passer on the Bearcat aggregation.

Much faith will rest in Good, Freshman broken field runner. "Red" has a way all his own in eluding tacklers and seems to be a sure bet as a regular in the backfield.

The game will start at 7:45 o'clock and will be preceded by demonstrations given by the S. T. C. band and the various pep squads.

The affair will be designated as High School Night and all high

## Dalbey New Chief Editor

**Senate Council Selects  
Clarinda Man to Head  
Northwest Missourian**

**NAME TWO AIDES**

**Jean Patrick is Society  
Editor and Fritz Cron-  
kite is In Charge of  
Sports Department.**

Dwight Dalbey, senior, of Clarinda, Iowa, will head *The Missourian* Staff as editor-in-chief for the coming year. His assistants will be Jean Patrick, senior, of Bethany, society editor; and Fritz Cronkite, senior, of St. Joseph, sports editor. The editors were chosen by Student Senate at a meeting Wednesday afternoon.

Dwight Dalbey was a member of the College debate team last year. He was also a member of Mask and Gavel, speech organization, and a member of the Speech Council. He is vice-president of the Y. M. C. A., and has just been elected president of the Social Science Club.

Jean Patrick is vice-president of Alpha Sigma Alpha, social sorority. Last year she was chapter editor of the "Phoenix", the sorority's publication. She was one of the first freshman members of Student Senate, and was vice-president of the sophomore class.

Fritz Cronkite is beginning his third year as tackle on the College football team. He is a member of the "M" club. Fritz is also a member of the College golf team, and last year won second place in the state Inter-collegiate Tournament. Fritz has served for two years as a member of *The Missourian* staff. He was recently elected vice-president of the senior class.

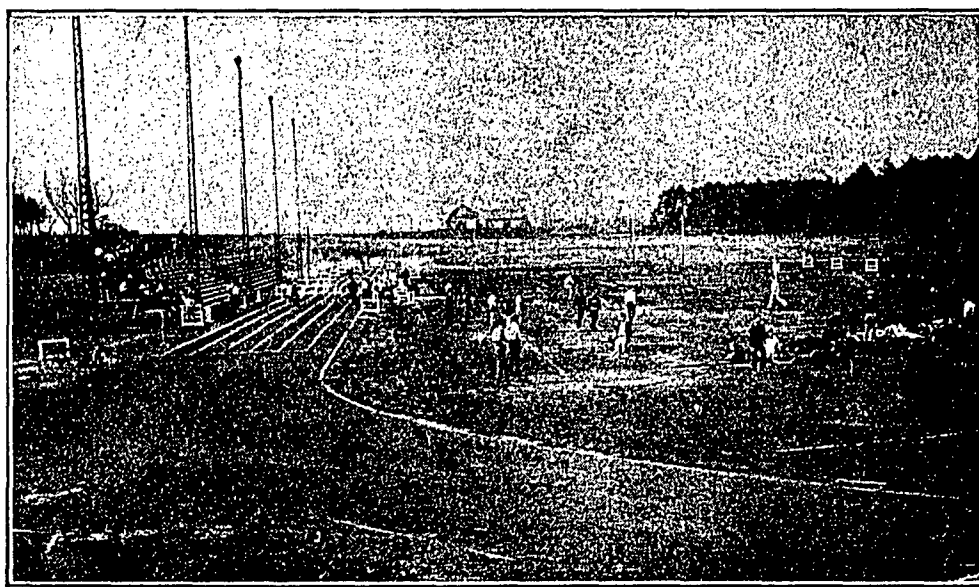

American Association of University Women, a number of whose members are on the College faculty, met Tuesday night at the home of Mrs. Forrest Gillam. "A New Deal" in programs was presented and plans were made for the following study groups: International Relations, National Problems, Art, Music, Languages, Literature, Science, Pre-School Education and Play-writing.

**Library is for Use of  
All College Students**

Our library is for our use. Students have access to the reference shelves; also, in the west library, faculty members have reserve shelves on which are books pertaining to their particular field. This is a great service to the students for it saves time.

A new supplement to the "New English Dictionary" has been received. The supplement treats new words and new meanings that were not treated in the "Principal Dictionary". The library has also received a new shipment of books and magazines from the bindery.

The new seating arrangement seems to be working satisfactorily since there have been no requests to go back to the old way.

WHERE THE CONTEST IS TO BE STAGED

Stanberry; or Palm, Maryville. Guards—Sullivan, Harrisburg,

Jones, Britton, Okla.; or Farrar, Maryville.

school teams in Northwest Missouri and Southwest Iowa will be admitted free. Fifteen players and the coach will be the guests. All other team members over this number from each school and students of the various high schools will be admitted at half-price.

**Four Most Debatable  
Questions Announced**

The four most debatable questions in college circles this year will be:

Munitions: The nations should agree to prevent the international shipment of arms and munitions.

Socialized Medicine: Complete medical service should be made available at public expense.

Social Planning: The federal government should adopt a policy of social planning.

Limiting Incomes: The federal government should fix maximum limitations for personal incomes and inheritances.

Pi Kappa Delta will select one of these questions for debating here this year.

**Noon Activities for  
College High Planned**

Harley Kiser, a freshman, whose home is at Clyde, is helping to supervise the College High School noon hour activities. The students will have opportunity to play playground baseball, volleyball and basketball. A horseshoe tournament is also well under way. Some of the games will be played on the old football field north of the Administration Building. Others will be held at the College Gym.

**Y. M. C. A. Resumes  
Active Work for Year**

Fourteen members of the College Y M C A made the year's first scheduled Gospel Team trip last Sunday, September 23. The team conducted its morning service in the Burr Oak church, located five miles west of Skidmore, after which they were guests at a dinner served by the members of the congregation. In the evening the team was entertained in the home of Rev. Morse, pastor of the Baptist church, before presenting its evening program there. The program included vocal and violin solos by William Somerville and Morris Yadon, accompanied by Mr. Velie of the conservatory, and two fifteen minute speeches given by Everett Evans and Dwight Dalbey on the subject; "Armaments, Their Relation to World Peace and Christianity." Devotionals were led by Mr. John Sawyers, a freshman in the college. In the evening William Stilwell gave a chalk talk before the B. Y. P. U. Other members making the trip were: Leland Thornhill, Harry Thiesfeld, Ned and Turner Tyson, George Walter Allen, Vernon Travernicht and William Barber.

Assembly this week was changed from Wednesday until Friday so that faculty and students might have the opportunity of hearing the candidates for State Superintendent of Public Schools speak. Mr. Don Matthews of Sullivan and Mr. Lloyd King of Monroe City will talk to the assembly at 11 o'clock today.

## 224 Freshmen Enroll for New College Year

Two hundred and twenty-four Freshmen are enrolled in the college this fall. The faculty and upperclassmen extend a hearty welcome to them, and add the warning, "Don't forget your green cap." All Freshmen boys must wear a green cap and Freshmen girls a green beret. They must enter the Administration building at the east door. They must wait until the faculty and upperclassmen have left the assembly before they may leave. A Freshman boy must "button" to an upperclassman when called upon.

These rules are in force until Thanksgiving, when it is supposed that some of the green hue will have disappeared.

Freshmen tests were given on Monday and Tuesday, September 17 and 18, in the auditorium under the direction of Mr. Cooper, Freshman advisor.

The class in Freshman Orientation will meet at 3:00 o'clock on Tuesday and Thursday, and a student may meet both of these hours for one quarter, or one hour for two quarters. The course deals with the grading system, the meaning of the grades and honor points, how to study effectively, knowledge and use of the library, meaning and use of majors and minors in the curriculum, and college activities.

The last quarter will be given over to a study of vocations. The

course carries one hour of college credit and will be taught by Mr. A. H. Cooper, Miss Margaret Stephenson, and Miss Ruth Millett. A Freshman rally was held on Thursday evening.

## Forty Students Join the College Journalism Club

Members are Pledged to Contribute News and Feature Stories to the Northwest Missourian—Will Meet Weekly.

An unusually large group of students interested in writing for the college newspaper has organized a journalism club to take charge of the Northwest Missourian publication. The group held an evening meeting on Tuesday, September 18, and made plans for the paper which appeared last week. This first issue was only four pages, but the regular paper will consist of eight pages. 1500 copies are printed each week, and every college student is entitled to one copy for himself and he may also have one mailed to a relative or friend. Papers are sent to newspapers and high school libraries in Missouri and southern Iowa. A rotogravure collegiate sheet that receives contributions from the leading colleges and universities all over the United States also is available to the students.

The Journalism Club met a second time at 8 o'clock on Monday morning and assignments were made for the present publication. The papers will come out on Friday of each week.

It is possible for members of

the Journalism Club to make 2.5 hours of college credit during the school year.

Members of the club are: Dwight Dalbey, Clarinda, Iowa; Kenneth Manifold, Coin, Iowa; Helen Cain, Oregon; Billie Griffith, Shenandoah, Iowa; Virginia Lee Danford, Stanberry; Laura P. Roseberry, Maryville; Helen Kramer, Maryville; Grace Westfall, Maryville; Nella Rose Hoffman, St. Joseph; Anita Aldrich, Elmo; Eleanor Ball, Henderson, Texas; Justin King, Cameron; Vivien Fordyce, Bethany; Harold Penwell, New Market, Iowa; Harold Swafford, Excelsior Springs; Marvin Smith, Albany; Catharine Keefe, Lansford, North Dakota; Doris Hart, Eagleville; Gory Wiggins, Princeton; Virgil Yates, Bethany; Everett Evans, Ridgeway; Mary Margaret Meyer, McFall; Mabel D. Fine, McFall; Laurance Humphrey, Independence; Jean Patrick, Bethany; Jonan Haskell, Excelsior Springs; Maurice Chilcote, Bedford, Iowa; Elizabeth Wright, Fairfax; Cora Taylor, Plattsburg; Euna Tospon,

Cowgill; John Ford, Maryville; Billie MacNulty, Malvern, Iowa; Louise Wyman, Fontanelle, Iowa; Bernard Hamman, Rushville, Illinois; Max Stalcup, Oregon; Fred Cronkite, St. Joseph; J. B. Cummins, Maryville; Kenneth Hull, Maryville; Jim Stubbs, Chillicothe; Warren Crow, Maryville; Kurby Bovard, Maryville; and Frederick Schneider, Stanberry.

### Alpha Phi Sigmas In First Meeting Sept. 24

The Beta Chapter of the Alpha Phi Sigma, honorary scholastic fraternity, held its first meeting Monday, September 24. New members were welcomed to the organization, and plans were made for the initiation of the new members. Francis Segesman, president of the organization, was in charge of the meeting. Other officers are C. F. Gray, vice-president; Jonan Haskell, secretary; and Densil Cooper, treasurer.

The membership of the Alpha Phi Sigma is divided into three ranks—novice, apprentice, and master. Requirements for the rank of novice are graduation from an accredited high school as valedictorian or salutatorian, or two successive quarters in college with an average of five honor points for each two and one-half hour subject.

A student may become an apprentice after four quarters in residence with an average of six honor points for each subject.

To become a master, the student

must have completed six quarters of residence work with an average of seven honor points for each subject.

Any member who for two successive quarters fails to maintain the average rank of four honor points for a subject for novice, five points for apprentice, and six for master drops to the rank immediately below in the organization, or out of the organization in the case of the novice.

The chapter wishes to promote the highest type of scholarship among the students upon our campus. It asks its members to participate in a variety of activities.

### Band and Chorus Now are Practicing Weekly

Members of the S. T. C. band and chorus are now holding regular meetings in room 205. Monday and Thursday evenings are given over to chorus, and Tuesday and Friday evenings are occupied by the band. The hour of rehearsal is 4 p. m.

Approximately 100 college men and women answered Mr. Velie's call for choristers. Two meetings of the chorus were held last week, and two this week. The group has been working for the last few meetings on a selection entitled "My Love Dwelt in a Northern Land."

The chorus is to be under the direction of Mr. Velie, Director of Conservatory of Music assisted at the piano by Miss Ruth Tegtmeier.

The State Teachers College Band held its first meeting of the year in room 205 last week. About 34 members will be under the

direction of Prof. A. A. Gailiewicz this year.

The following are members: Cornets, Garold Walker, Pattonsburg; Aletha Wharton, Stanberry; Herbert Lindley, Stanberry; Chester Hoover, Easton; Doris Fuhrman, Oregon; La Verna Wells, Maryville; Harold Person, Maryville; Darrell Nixon, Leon, Iowa. Trombones, Buford Garner, Winston; Eldon Thompson, Clarinda, Iowa; Ruth Wray, Maryville; Elbert Barrett, Maryville; Frederick Schneider, Stanberry; Maurice Chilcote, Bedford, Iowa; Bruce Coffman, Forest City. Clarinets, William Persons, Maryville; Howard Wray, Maryville; William Somerville, Maryville; Miller Weeda, Bedford, Iowa; Bertha Weaver, Tabor, Iowa; Nella-Rose Hoffman, St. Joseph; Marjory Murray, Oregon; Lambert Miller, Maryville. Baritones, Robert Paul, Bedford, Iowa; Morris Yadon, Maitland. Basses, Ferdinand Glauser, Maryville; Mary Margaret Zellar, Oregon. Alto Saxophones, Francis Sallie, Blanchard, Iowa; Bernice Pence, Clearmont. Piccolo and flute, John Liddle, Maryville; Gaylord Morrison, Eagleville. Mellophone, Taylor, Gravity, Iowa. Drums, Louis Groh, St. Joseph; Dwight Perkins, Bedford, Iowa; Russell Sherman, Barnard. French Horn, Robert Lawrence, Maryville. Drum Major, Herman S. Miller, Maryville.

The band held rehearsal on both Tuesday and Friday of last week, and also on Tuesday of this week. The latter rehearsal was planned to have been a rehearsal of marching, but because of rain rehearsal was held in the auditorium.

Uniforms in colors of green and white were given to members of the band last Wednesday.

W. A. RICKENBRODE, Business Manager

Mr. Rickenbrode came to the College many years ago as the head of the Department of Commerce and Business Administration. When the College had grown to the place where the Regents decided it would be desirable to create the position as Business Manager they naturally turned to this man to occupy the place.

## Student Becomes Poetic In Describing Power of Two Cents at the Book Store

Not many wares are offered in verse these days. That may be why the little rhyme in the College Book Store proclaiming two-cent entertainment intrigued us. That and the news that there is such a thing as entertainment for less than postage stamp cost.

"Folks, when your date ability's low,

And the money from home dwindles down

To a mere two cents and a stamp—

Don't frown!

Hie yourself to the second floor  
And spend that two cents at the  
College Book Store

For romance, or mystery, or thrills  
galore."

After that we couldn't leave without a book, and "Both Your

Houses". Maxwell Anderson's play, looked so short that we decided to take along Lloyd Douglas' "Forgive Us Our Trespasses". We liked them both, the play about politics and the novel of personal religion.

"Both Your Houses" is about an idealistic young school teacher who gets elected to congress, and starts a one-handed fight against the machinery of politics. Defeated in his first attempt at reformation, he tries to beat the lobbyists at their own game. We said it was good, but you needn't take just our word for it. It received the Pulitzer prize for 1932.

"Forgive Us Our Trespasses" is the story of Dinny Brumm, first a disillusioned little boy, then a radical in college, and later a pro-

fessional cynic. A letter found in the secret drawer of an old desk gives him a new philosophy, and the disillusioned little boy becomes a man.

When we took our books back and paid our rental fee, we asked about all the things we wanted to know. "How many books are for rent?" Forty-three. "Which of your books were most popular last year?" And we found that these ten went out the most number of times: 100,000,000 Guinea Pigs, Kallett and Schlink; Miss Bishop, Aldrich; Magnificent Obsession, Douglas; One More River, Galsworthy; House of Exile, Waln; Dragon Murder Case, Van Dine; Master of Jalna, De La Roche; Bonfire, Dorothy Canfield Fisher.

"How often do you get new books?" Every month. And we found that five new books have been ordered and will soon be available. One is the Pulitzer prize

novel, "Lamb in His Bosom" by Miller. The others are: "The Flying Carpet", Halliburton; "Dusk at The Grove", Rogers; "Casino Murder Case", Van Dine; and "Captain Nicholas" by Walpole. Now if we can just manage to keep two cents on hand!

Milo Porterfield, A. B., Summer '34, B. S. Winter term, '33-'34, left Tuesday evening of this week for Iowa City, Iowa, where he will continue his graduate work in physics and mathematics. Mr. Porterfield attended the last half of the summer session of the Iowa University last summer. He is a brother of Jacob Porterfield, principal of the high school at Liberty. Their home is at Clearmont.

Residence Hall Council met Thursday afternoon. Nadine Wooderson, president of the council, presided.

## Tower Staff Under Way

Work has begun on the Tower for 1935. There are to be many new features in the 1935 year book.

Editor-in-Chief Bradley and Business Manager Gray have completed many of the preliminary details prior to publication.

The engraving contract has been awarded to the Artcraft Engraving Company of St. Joseph, and the printing contract will probably be let in the near future.

Miss Ruth Millett will act in an advisory capacity in assisting the Tower staff. The staff has not as yet been chosen, but this will be done as soon as the classes are organized.

### THE PRESIDENT SAYS——

#### THE STATE SUPERINTENDENT

The College welcomes today two outstanding school men who have won the nominations of their respective political parties for State Superintendent of Public Schools of Missouri. Either would serve the state with credit to himself and honor to his profession.

But the time should come soon when political nominations should not be made for professional school positions. No city in the state would consent to the election of its superintendent by popular vote, yet Missouri requires her chief school officer—the importance of whose work is far greater than that of any city superintendent—to be chosen by the voters in an election in which the chief issue promises to be the "New Deal" rather than "Better Schools". Whichever man is elected, may his record be judged by his educational achievements rather than by his political activities, and may the time soon come when the office will not be filled by the machinery of partisanship, but when the opportunity to serve will be a challenge only to professional ability.

UEL W. LAMKIN

#### THE OPEN MIND

It is said that the best evidence of old age is in that time when the individual has come to such fixation of opinion as to preclude reception of any new viewpoint or consideration of any theory or practice inharmonious with his own preconceptions.

Under such definition one does not achieve agedness through the mere lapse of time; he may be old in his twenties or young in his fifties.

Educational institutions are for the young; for those who have the open mind.

Open-mindedness, however, is not evidenced by quick conversion from one theory to another. It is fully functioning when it gives unprejudiced ear to all the evidence that may be presented for and against any proposal.

Do not mistake gullibility for open-mindedness; one is the antithesis of the other. Reserve your decisions until you are in possession of a respectable showing of evidence on both sides; and, having come to a decision, keep your mind open for new evidence.

#### PROFIT AND LOSS

It is safe to assume that practically all of the students at this College are concerned with the problem of financing themselves. Those whose immediate needs are provided for look to the future and plan their courses toward the goal of financial independence. Others not only hold to this objective, but are obliged to give attention to immediate requirements.

Because of the imperative nature of the financial set-up in this world, there is a tendency to over-emphasize its ultimate importance. There are some things no one may profitably exchange for money.

"What is a man profited if he gain the whole world and lose his own soul?"

#### COLLEGE HIGH NEWS

The first meeting of the Senior Dramatics Club of the College High School was held September 25. The following officers were elected: Mary Jane Scott, president; John Arthur, vice-president; Miriam Martin, secretary; Sorenus Adams, treasurer; and Marian Williams, reporter.

Miss Turner and Mr. Breckenridge are sponsors.

The mathematics and science teachers in the college high school met Wednesday morning for the purpose of organizing a coopera-

tive group of practice teachers. ed: Francis Segessman, of Maryville, president; Norval Beattie, of Savannah, vice-president; Beatrice Sherman, Barnard, secretary and treasurer; and John Ford, Maryville, reporter. Stanley Gex, chairman, and James Nash and Paul Gates make up the committee on aims and objectives.

The student body of the College High School elected the following cheer leaders for the year: Mary Jane Scott, Marian Williams, Junior Robey, and Edgar Williamson.

### Social Life.

Association for Childhood Education entertained all students majoring in primary education at a tea in Social Hall, Sept. 24 from four until six.

Yellow snapdragons in a green bowl, and yellow tapers in green candle sticks decorated the tea table. Miss Millikan, sponsor of the organization, and Barbara Zellar poured.

Theta Chapter of Sigma Tau Gamma announces the pledging of the following men: Robert Geist, Maryville; Arnold Carlson, Maryville; Ralph Morrow, Plattsburg, Mo.; Eldon Thompson, Clarinda, Iowa; Nissley Jenkins, Independence, Mo.; Harold Holmes, Plattsburg, Mo.; Franklin Spratt, Weston, Mo.; Dale Graham, Cameron, Mo.; Ralph Newby, Plattsburg, Mo.; Mac Coverdell, Grant City, Mo.; Welson Huntsman, New Point, Mo.

Beta Chapter, Pi Omega Pi, national honorary commerce teachers fraternity, met for organization Monday, September 24. Berdena Kidwell was elected president; Georgia Schulte, vice-president; Doris Stoneburner, secretary; Mabel D. Fine, treasurer. A special meeting has been called for the quarter's activities. Beta chapter will have a special meeting for Alumni members sometime during the Northwest Missouri Teachers' meeting in October.

Monday, September 24, the Women's Athletic Association met to inform the new members of the plans for the year.

The first problem to be handled was the drive for new members. Each girl was given a green tag bearing the W A A letters and

she was requested to wear this tag on Tuesday in an effort to interest other girls.

About twenty-five girls attended this meeting, many of whom were new members.

Miss Blanchard explained the rules of hockey to those who had not previously played.

The regular meeting nights were set for Monday, Wednesday, and Thursday at five o'clock. Notice of meetings will be posted on the bulletin board.

The new hockey field is located behind the administration building. Last year the girls played hockey immediately north of the Gymnasium.

The W A A members again invite all of those girls interested in the game of hockey to join them on meeting nights.

Pledging of the following men to Gamma Chapter of Sigma Mu Delta fraternity took place at the home of Dr. R. C. Person Wednesday evening, September 26:

Dwight Perkins, Bedford, Ia.; Coleman Sturgis, Pattonburg; John Liddle, Maryville; Leslie Carlson, Essex, Ia.; Jerald Walker, Pattonburg; Joseph Johnson, Maryville; and Walter Yeoman, Hopkins.

The work and the fun of rushing are over and the sororities name these pledges:

Sigma Sigma Sigma announces the pledging Wednesday evening, September 26, of the following girls: LaVaughn Dawson, Virginia Mutz, Virginia Coe, Mary Peck, Dixon Campbell, and Florence Petersen. The ceremony was held at the home of Helen Kramer. A brief social meeting followed.

The Alpha Sigma Alpha sorority held pledging Tuesday evening, September 25, at the sorority room, for twelve girls. They are: Clara Ellen Wolfe, Martha

Ellen Tippet, Marian Kirk, Mary Frances Sutton, Mary Louise Lyle, Virginia Watt, Nelle Kellogg, Lucile Groh, Frances Tolbert, Lucy Mae Benson, Eleanor Crater and Bernice Lynch.

Several members of the Y. M. C. A. organization met at the college gymnasium last Tuesday evening at 7:45 o'clock and enjoyed a swim in the pool.

Coach E. A. "Lefty" Davis, chairman of the department of physical education and football coach here since 1927, is well qualified as an athletic mentor. As an undergraduate at Kentucky University and Phillips University, he was a member of the football, baseball, and track teams. Coach Davis played professional baseball as a member of the pennant-winning team of the

E. A. "LEFTY" DAVIS

Arkansas League in 1909 and 1910. In 1911 he tried out with the St. Louis Browns of the American League.

Mr. Davis coached football at Missouri Wesleyan for six years. While there he produced five champions and one runner-up in football. In 1923 and 1924 he was coach of football and baseball at McKendry College. The McKendry football and baseball teams were undefeated in 1924. At Centenary in 1925 Coach Davis produced an S I A A (Southern Intercollegiate Athletic Association) champion football team.

In 1927, Mr. Davis came to Maryville as Bearcat tutor. Bearcat football teams under his tutelage have captured one M I A A championship and have completed four seasons as runners-up.

Coach Davis holds an A. B. degree from Transylvania.

Wilbur Stalcup, youthful Bearcat basketball and track mentor, is beginning his second year on the coaching staff of his alma mater.

In 1928, as a senior in Oregon

WILBUR STALCUP

High School, Mr. Stalcup was a member of the Oregon High team that won the Missouri state high school basketball championship.

During his four years as a student here, Coach Stalcup lettered three years in football, and four years in basketball and track. He was captain of the track team for

one year. He was a member of the famous Bearcat team which fought its way to the finals of the National A A U basketball tournament in 1932, and was given mention on several All-American teams.

In 1933 Mr. Stalcup's Jackson High School basketball team was runner-up in the state tournament.

During his first year here, Coach Stalcup's teams have given a second place tie in the M I A A basketball race and have brought us our first M I A A track title.

Mr. Stalcup holds a B. S. degree from Maryville. During the summer quarter he took graduate work at George Peabody College in Nashville, Tennessee.

### Know Your Team

#### BUFORD JONES

"Jonesy" is probably the most lettered man on the campus. The Bearcats are indeed fortunate to possess such a versatile athlete. From the Britton, Okla., High School, Jones holds twelve letters; four each in football, basketball and track. He captained Britton teams for five successive times. He once tied for the state shot put record of Oklahoma. Since coming to Maryville he has lettered twice in each of the following, football, basketball, and track. He has two years of eligibility left. Jones is twenty-one years of age, is 6 feet 3 inches tall, and weighs 202 pounds. He is the Bearcat's fullback and was chosen on the M. I. A. A. all-stars last season despite a broken foot.

#### DeRONDA MOORE

Helping to fill the gap in the tackle position is DeRonda Moore, curly-haired freshman from Creston, Iowa. Moore is twenty years of age, weighs 180 pounds, and measures 5 feet 10½ inches vertically. He made three football letters in high school, and was all-conference tackle two seasons. He made four track letters and in the Iowa State Track Meet vaulted to the height of 12 feet 2 inches. He also lettered twice in basketball. Moore, while comparatively new to college football, has the size and a good deal of polish in his play. He will undoubtedly see service this fall.

#### MARVIN BORGMIER

Through careful study of the game, and through constant effort, Marvin Borgmier has achieved a place on the Bearcat team. His first two seasons here were spent among the "Skunks". Last year he made his letter and proved of great value to the team. His smart playing and his never-say die spirit will carry him well along this season.

"Borg" is a halfback. He runs, passes, and does a little kicking. His home town is Smithville, where he lettered three years in football, basketball, and track. He captained the football team his senior year. He was named all-star forward on the Little Six Conference team. He is 5 feet 8½ inches tall, weighs 153 pounds, is twenty-one years of age and ranks a senior in college.

#### GERALD BOATWRIGHT

This is "Boat's" third year on the squad and at the present time looks to be the charm season. This hard-fighting player from Stanberry may see service at either guard or tackle. His work so far this season has been a decided improvement over the past and his eagerness to make the team will stand him in good stead.

At Stanberry High School, Boatwright made two letters in football. He reaches the two yard mark in height and weighs 175 pounds.

#### JOHN CHILES

In a physical way, John Chiles, giant freshman from Oklahoma, is really outstanding. Chiles reaches up to the 6 feet 4 inch mark and weighs 220 pounds. He is twenty-two years old and has been out of school some time. His home is Claremore, Oklahoma.

In high school, Chiles made three letters in football. His senior year he was all-conference tackle. He has been handicapped this year by a leg injury and by his lack of condition. His leg is now healed and if he is able to reach top shape he will make going tough.

### Dope Bucket

The Kirksville Bulldogs, last year's conference champions, are looking forward to another successful season. Coaches Don Faurot and Simpson have twenty-one letter men of '33, and two of '31 and seven of last year's reserves returning this season. The coaches have the problem of filling the left guard position left vacant by Guy Curtright and the right end vacated by Captain Hudson. Kirksville opens the season with Simpson college at Indianola, Iowa, today, and next Friday night they meet the Rolla Miners at Kirksville.

The Warrensburg Teachers College Mules opened their season with a 20 to 0 victory over Chillicothe Business college Friday, Sept. 21, on the Mules' home field. Warrensburg crossed the visitors' goal line once in each of the first three quarters. The touchdowns were scored by Patterson and Dow, the latter scoring two touchdowns and making two tries for point after touchdowns good.

For the first time in twenty-two years Springfield Teachers will open their football season without A. W. Briggs as their coach. Andrew J. McDonald has succeeded A. W. Briggs as head football coach of Springfield Teachers College. Mr. McDonald is well fitted for his new position, he is a graduate of Kansas University, where he earned letters in football and basketball, and gained all Big Six honors in both sports. Mr. Briggs will continue in the capacity of Director of Athletics. The Bears will open their season with Arkansas College at Springfield today.

Cape Girardeau Teachers will open their football season with Carthage at Cape today. Coach Stuber's Indians are out to take the football crown this fall.

Pittsburg Teachers opened the season with an 18 to 6 victory over the Missouri School of Mines at Rolla Friday Sept. 21. Pittsburg scored two times in the second quarter and again late in the last quarter.

Rolla's only touchdown came on a brilliant 87 yard return of the kickoff at the start of the last half by McGregor.

Later in the season the Maryville Bearcats will face both of these teams.

### New Rules.

The new football rules concerning the forward pass will materially "open up" the game and result in more scoring, is the opinion of Charles W. Bachman of Michigan State college.

Under the new rule, a team may have one incomplete pass drop behind the goal line without loss of the ball. The second, how-

ever, will result in a touchback. The penalty of five yards for the second and third incomplete passes in a series of downs, anywhere on the field, has been lifted.

### Intramural.

Intramural sports for men proved extremely popular on the campus last year. Competition was keen in all branches. Several fast clubs were entered in the basketball league during the winter quarter. Albert Gray's quintette quelled the championship bid of the strong Sigma Tau Gamma five in the final game.

During the spring quarter a softball league was organized. Dan Blood's Rat Exterminators repelled all comers to take the title. Ray Crouse of Cainsville won the horseshoe pitching tournament. Verne Campbell and Ferdinand Glauser went to the finals of the tennis singles tournament. Pat Dougan defeated Fritz Cronkite in the finals of the golf tournament.

Six teams entered the intramural softball league held during the summer quarter. Nearly every man in school played in this league. Crow's Mules won the first half of the league season with no defeats. The Hash Slingers defeated the Mules twice during the second half of the season and walked off with the second half title. Time did not permit a play-off and Coach Davis, commissioner of the league, awarded a joint title to the two teams.

Under the guidance of the Student Senate, which is to name an intramural athletic committee soon, it is planned to expand the intramural program to provide a recreational sport for every man on the campus.

#### SOCIAL SCIENCE CLUB

The Social Science Club met in Social Hall Wednesday evening at 7:30. Dr. O. Myking Mehus talked on, "A Sociological Survey of Maryville." New officers elected were Dwight Dalbey, president; Jane Sandy, vice-president; Martha Mae Holmes, secretary; and Elma Peterson, treasurer. The club will meet in Social Hall at 7:30 every Tuesday night. All students are invited to attend these meetings.

## Senate Council.

Each of the three upper classes met Wednesday morning after assembly and elected its representatives to the Student Senate. The Freshman class will not elect its two representatives until the winter quarter.

The Seniors elected Gerald Stigall of Henrietta, Okla., for the three-quarter term; James Stubbs, Chillicothe, two-quarters term; and Erma Walker, Bigelow, one-quarter term.

The Juniors elected Harold Person of Maryville for the three-quarter term; Barbara Zellar, Oregon, two-quarter term; and Max Seyster, Maryville, one-quarter term.

The Sophomores elected Louise Bauer of Stewartville for the three-quarter term; Kenneth Manifold, Coin, Ia., two-quarter term; and James Stephenson, Maryville, one-quarter term.

The Student Senate held its first meeting of the year Tuesday night at the Administration building. President Sloniker called the meeting for the purpose of organization so that the representatives of the Student Government Association might begin consideration of the problems of government as quickly as possible. Regular meetings of the Senate will be held on Thursday evenings.

The Senate, as the official representative of the Student Body, is bound to voice the opinion of the students and not personal feelings on any matter which may arise. By affording an official point of contact between students and faculty or administration, it facilitates the settlement of mutual problems.

In completion of its organization, the Senate chose Louise Bauer as secretary-treasurer, and President Sloniker appointed the following committees:

Student Senate representatives on the Assembly Committee: Barbara Zellar, Harold Person.

Social Committee: Erma Walker, chairman; other members to be selected at the next regular meeting.

Student Affairs Committee: Miss Stephenson, chairman, Senate assistants: Louise Bauer, Max Seyster.

## Columnist, In 3 a. m. Wakefulness, Writes of "Ship In Trouble at Sea"

Marlen Pew, editor of *Editor and Publisher*, brings to light an incident strongly suggestive of writer clairvoyance. It also suggests how an alert editor "pulls" a big feature story out of the circumambient air. Here's his story:

On Saturday, September 8, the O. O. McIntyre letter appeared as usual in many newspapers across the country and contained the following paragraph:

"It is 3 a. m. and sleep is fugitive. A big chair at the window is inviting. In front of the Park lane a taxi driver is hunched over a tabloid, the only wisp of human life within eye range. The break of dawn offers a rare moment for introspection—to talk to one's self. Awareness is tingling in the dead black hours. Somewhere a ship is in trouble at sea. Somewhere the first faint cry of life. Life, death, life, death. Like a tick-tock-tick."

Life, death, life, death! Somewhere a ship is in trouble at sea. It is 3 a. m. Awareness is tingling in the dead black hours. Strange prophecy! When it was rattling off hundreds of presses, in almost every city of the country, the S. S. Morro Castle struggled in the throes of ghastly agony, passengers and crew trapped between two deadly elements, fire and water. One hundred and thirty-seven dead! Tick-tock. Mr. McIntyre wrote those lines at 3 a. m. on Saturday, August 11. The sky-scraper window at which he sat faced the Jersey coast, so he must have peered into the darkness in the direction of the spot off Asbury Park where, just three weeks later, the ghostly marine horror was to be enacted. Was it coincidence, or a strange psychic manifestation?

I asked Mr. McIntyre yesterday to tell us how he happened to write that paragraph. "I wish I could," he replied. "The column was done

three weeks before publication, which is my regular writing schedule. As it indicates, it was written in an hour of sleeplessness, before dawn. Three o'clock is an eerie hour in the morning, anywhere in the world. A person who is troubled with insomnia is apt to lie awake then. One who has worries is likely to remember them then, tossing in a bed that won't be comfortable. I believe doctors say more people die around three than at any other hour of the day. Vitality is apt to be low. Perhaps the psychic powers of the individual are more likely to be in ascendancy at 3 a. m. than at noon.

"All these psychological matters are mysteries to me, as I believe they are to everybody else. How do we know what force puts certain thoughts and meditations into our minds, instead of others?"

"When I used to drink liquor, years ago, I used to imagine I was clairvoyant. But I never have thought so while I was sober. But the trouble is that none of us knows just what we mean by these big words, clairvoyant, psychic and spiritual. Do we, in the quiet hours before the dawn, get impressions, vague and wraith-like, out of the past or the future, out of other worlds or from other minds? I don't pretend to know.

"Certainly, as I sat there in the quiet room, looking out toward New Jersey, I got impressions that I set down on paper, and one of those smoky pictures was of a ship in trouble at sea, with death hovering over. It is certain, too, that three weeks later, at the same hour in the morning, on the day of publication of the column, that vague impression which moved me to write those words was enacted into a terrible tragedy off the Jersey coast. There it is, and you can make as much or as little of it as I.

"My friends have been trying to

sell me on the notion that I'm a clairvoyant. But I wouldn't look well in a black gown and purple cap with stars and half-moon on it, so I think I'll have to go right on writing for a living."

### Short Short-Story.

Contributed to *Publisher's Auxiliary* by Carl E. Hayden of the *Idaho Journal*, Pocatello:

Wearily Benson adjusted his visor and laboriously began to tap out his lead editorial for the *Daily Republican*.

"Prohibition is a broad step forward—"

There his idea lagged so he x'd out the fragment.

"Liquor is crime's playmate."

Again Benson's gin-rickey befogged brain failed him.

Screwing his face into a weird frown and mentally swearing he was through with all-night parties, the editor tore the paper from the typewriter and began anew.

"We strenuously object to a local citizen's attitude of being politically dry but personally wet."

### Georgia Schulte Is Convention Delegate

Georgia Schulte of Oregon, Mo., president of Phi Phi chapter of Alpha Sigma Alpha, represented the local chapter at the National Convention of the Alpha Sigma Alpha sorority held August 22-26 at Old Point Comfort, Virginia. The convention this year was in honor of its founders, three of whom were present at the convention, and the reinstatement of Alpha Chapter at Farmville, Va. Hattie Kelly Thomas, Baltimore Maryland, historian of the sorority, was official hostess.

Georgia left for the convention

in a special car from Chicago. She returned by way of Washington, New York, Niagara Falls and Chicago. The convention delegates were guests of the Chamberlin Hotel at Old Point Comfort, the only privately owned place in the U. S. government post. During their stay the girls were conducted on special tours of the surrounding territory of rich historical interest. Georgia mentions the seven-mile James River bridge, Jamestown, Yorktown, William and Mary College, and the city of Williamsburg which Mr. John D. Rockefeller is having reconstructed according to old colonial plans.

The convention guests were entertained by a dance on the roof garden of the Hotel Chamberlin. Georgia says, "I don't see yet where Mrs. Thomas found all the men for over one hundred delegates, but she did."

### Dr. A. C. Krey Will Be Association Speaker

On Friday afternoon, October 19, Dr. A. C. Krey, Director of the American Historical Association, and professor of history and history of education at the University of Minnesota will give an address, "The Great Gap in Our Education" before the general assembly of the district teachers' association. He will give a second talk before the joint session of the College and High School sections on "Sources of Social Learning." Dr. Krey is an outstanding educator, author, and orator.

### Big District Chorus Will Sing For Group

This year, instead of having the district orchestra or band on the Northwest Missouri Teachers' Association program, Mr. C. James Velie, chairman of the Northwest Missouri State Teachers' College Conservatory of Music, will conduct a district chorus of approximately eighty voices to be selected from the various high schools throughout the Northwest Missouri College district. The chorus will make its first appearance before the general assembly on Thursday evening, October 18. The chorus will again sing on "The Missouri Program" Friday morning, October 19, which is the fourth general session of the teachers' association.

### Miss Shirley Pike Starts to Scotland

Miss Shirley K. Pike, formerly Dean of Women of the College, left Sept. 19 for New York City. She will sail for London on Sept. 28. Travelling with Miss Pike is her cousin, Miss Catherine Pike of St. Joseph. They plan to visit France, Italy and Switzerland.

After Dec. 1, Miss Shirley Pike will take work at the University of Edinburgh.

Mr. and Mrs. Bert Cooper entertained a group of freshmen, of which Mr. Cooper is advisor, to a waffle supper at their home on West Second street last Monday night. Those present were Virgil Gex, Evelyn Urton, Mary Peck, Lucy Mae Benson, LaVaugh Dawson and Sue Brown.

### Newman Club Girls Elect House Officers

The Newman Club girls held their first house meeting of the year Thursday evening of last week. At this meeting house officers were elected and general plans discussed.

Miss Jacqueline Rush, last year's president, presided over the meeting.

The following were elected for the year: Louise Wyman, president; Marjorie Gordon, vice-president; Virginia Needles, secretary-treasurer; Lorena Baldwin, Mary Alice Tyson, sergeants-at-arms; Catherine Keefe, reporter.

The following committees were appointed by the president:

Social Committee — Jacqueline Rush, Mary Harmon, and Pauline Gallus.

House Committee — Billy McNulty, Marjorie Gordon, Mary Jane Newlon.

Courtesy Committee — Myrtle Heaston, Lorena Baldwin, Gail Smith.

Older girls entertained the freshman residents of the Newman Club house at dinner Sept. 20. Later in the evening the girls toasted marshmallows in the fire place and danced.

A number of the girls staying at the Newman Club spent the weekend at their homes. They were: Marjorie Gordon, Lorena Baldwin, Mary Alice Tyson, Virginia Needles, Billy MacNulty, Mary Harmon, Jacqueline Rush, and Mary Jane Newlon.

Creston L. Maul, an S. T. C. student is teaching commerce at Egbert, Wyo., this year. "Cres" is well known at the College and in Maryville, since his home is here.

Miss Birdie Lemaster, B. S., '32, A. B., '33, attended the Middleburg French School at Middleburg, Vermont this summer. Miss Lemaster is teaching in the Ravenwood High School this year.

Vernon J. Barrett, B. S., '28, who has been teaching music in the Beaumont High School in St. Louis during the last five years, has been recently transferred to the Cleveland High School in that city, where he will be head of the music department. Mr. Barrett taught at Normany High School in St. Louis County, before going to Beaumont School. Mrs. Barrett will be remembered as Miss Helen McMahon, a former S. T. C. student whose home was at Skidmore. Mr. and Mrs. Barrett were married in August 1933.

Hildred Fitz has been recently elected to teach English and dramatics in the Maryville Public High School. Miss Fitz formerly taught in Barnard. Her home is in Maryville.

## Hall Lights

Residence Hall girls enjoyed an indoor picnic Tuesday, Sept. 25. The proper atmosphere was provided by the use of tin cups and paper plates. The girls at each table presented various songs and stunts. Louise Bauer acted as chairman.

A Standards Committee for the Hall has been appointed. The members of the committee, who were chosen from the Hall Council, are: Frances Shively, Frances Todd, and Erma Walker.

The girls of Residence Hall will be at home Sunday, September 30, at a tea for members of the faculty of the College. The tea will be given for the purpose of presenting to the Faculty, Miss Ruth Millett, Miss Ruth Tegtmeyer, and Miss Hazel Burns.

Virginia Lee Danford, Elizabeth Adams, and Margaret Sutton will act as hostesses.

Nadine Wooderson, Miss Millett, Miss Tegtmeyer, and Miss Burns will be in the receiving line.

Week-end guests were Elender Hardin and Mary Virginia Culp of Albany.

Francess Feurt spent the week-end at her home in Jameson.

## Cheer Leaders Selected.

You had to be good if you were elected College cheer leader in the Assembly Monday morning. The student body wasn't taking anyone on face value. "Let's see what you can do," was the order of the day. All nominees had to show what they could do in the way of getting people to stand up and yell. And then came the voting.

Louis Groh was elected head cheer leader. His assistants are Virgil Yates and Andrew Campbell.

## "M" Club One of Most Active On the Campus

The "M" Club at Maryville State Teachers College is one of the most active organizations on the campus. Those eligible for membership include winners of major awards in football, basketball, and track.

The organization maintains a club room on the first floor of the Gymnasium, where meetings are held bi-monthly. Pictures of winning teams and individual stars of past years may be seen around the walls. This room was furnished by donations from "M" Club members and receipts from athletic events.

Each year the club plays a very active part in the annual High

School Spring Contests, as well as playing an important part in all school activities.

The "M" men endeavor to sit in a body at all athletic functions. They work in co-operation with the Physical Education Department for the promotion of physical training.

The Club works under the advisement of the coaching staff and head of the Department of Physical Education. Officers of the club include president, vice-pres-

ident, and secretary and treasurer. At the next meeting of the club, officers for the coming year will be elected.

*Tower* Staff asks that all students have their pictures taken right away. Crow and Marcell Studios will make the picture for seventy-five cents, charging ten cents for each additional print. Or you may have six pictures made for three dollars and be given your *Tower* cut free.

Morris Meyer, a former student at the college, now associated with the Arrow-Aircrafts and Motors Corporation, Lincoln, Nebraska, was here Saturday. He was on his way to visit his parents, Mr. and Mrs. G. S. Meyer at McFall, and was accompanied home by his sister, Mary Margaret Meyer, a Senior in S. T. C.

Francess Tolbert went to her home in Gallatin last week-end.

... just about every cigarette smoker knows that—but here are some other facts to keep in mind ...

For a cigarette to be milder and taste better it must be made of mild, ripe Turkish and home-grown tobaccos.

*We wish you could go into the factories and see Chesterfield made. The mild ripe tobacco is cut in long even threads—then packed into the cigarette so as to make Chesterfield draw right and burn evenly.*

A good cigarette can give you a lot of pleasure, and we would like for you to try Chesterfield.
